Message from the Grand Knight

As this Columbia Year comes to an end, I would like to thank the council members who stepped up to the plate and volunteered their time to all of our fund raisers, and community service projects. I would like to give a special thanks to our officers, who worked together in making decisions for the council without prejudice, in support of.

CHARITY UNIT FRATERNITY PATRIOTISM

Charity: Charity empowers us to love God and one another as Jesus loved us. Why do we often refer to it as Charity, and not simply as love?

Unity: As knights, we have heard that call and dedicated ourselves to live and promote that UNITY in our councils, our families, and our nation.

Fraternity: As Knights we commit ourselves to live as brothers not only in our council, but also in our family and our world.

Patriotism: The Knights are willing to fight for Patriotism. Through our leadership, the words

“under God” were inserted in the Pledge of Allegiance. We are committed to continued unselfish service to our nation.

As we reflect on July, as being this great Nations month of Independence, we must focus on Patriotism. Patriotism is one nation under God. Take this month to reflect on our nation’s religious roots- The Declaration of Independent is the official and unequivocal affirmation by the American people of their belief and faith in God. It affirms God’s existence as a “self-evident” truth that requires no further discussion or debate. The nation created by the Declaration is God’s country. The rights it defines are God- given. The actions of its signers are God-inspired. The Declaration contains five references to God – God as supreme Lawmaker, God as Creator, God as the source of all rights, God as the world’s supreme Judge, and God as our Protector on whom we rely. Its declares that each of us is created equal. This means equally endowed with unalienable rights. It does not mean that all are born with equal capabilities. Nor does it mean all of us can be made equal, as Communist dogma alleges. As the modern discovery of DNA now confirms, each of God’s creatures is unequal and different in every other way from every other person. The Declaration of Independence proclaims that life and liberty are the unalienable gift of God – natural rights – which no person or gov-

Lent offers us all a very special opportunity to grow in our relationship with God and to deepen our commitment to a way of life, rooted in our

baptism. In our busy world, Lent provides us with an opportunity to reflect upon our patterns, to pray more deeply, experience sorrow to

what we’ve done and failed to do, and to be generous to those in need.

Scriptural Rosary

The weekly Wednesday Scriptural Rosary is a Council sponsored program. At this time we have about five members of the Council attending on a weekly basis. The Knights of Columbus supports this Catholic Marian Devotion and, as a

Knight, you should avail yourself to this small amount of time on an early Wednesday evening. We meet in the Community room across the hall from the chapel. Please if you have anyone you would like us to pray for, please bring it

and we will pray for the person.

I would also like to thank Demetrio Aguilar for being my co-chair he was a big assets to the booth, without him it would have been hard to do the stand this year. I would also like to thank Gary Payne, Ed Boyle, John Turner and Pat Hill for picking up a lot of the shifts so we could have the man power needed. I would also like to thank everyone who came out we even had help from 3 members of the Catholic Young Adult Group who worked the booth. Terry Jessie was the telephone man who got us those volunteers. Now out of 50 plus members we only got 15% of the members to help out, and we made phone calls with no responses or call backs. Gentlemen to do stuff like this we need the man power and help so please try and call back. At the meeting we will go over figures and I will have a full report in our next newsletter/

LTC Is an Important Piece of the Puzzle

Brothers,

There are many financial consultants and retirement authorities who emphasize the need for a long-term care (LTC) product for estate preservation and family protection. While many commercial life insurance companies have gotten out of the long-term care business, the Knights of Columbus considers LTC a very important piece of the family protection puzzle. The Order has been actively offering our members this product for nearly 15 years without a premium increase on current policyholders. Members who wisely purchased an LTC plan from the Knights in 2000 are still paying the same premiums today. Even better, our LTC coverage is backed by the full

strength of the Order, which remains rooted in our strong Catholic values. Talk about stability when it counts. Long Term Care expenses can drain retirement savings extremely quickly, and the Knights offer plans for coverage that is surprisingly affordable. If we have not spoken about your need for LTC coverage in your family portfolio, please take some time out of your schedule to meet with me. The sooner, the better!

Remember, long-term care policies are underwritten based on your health, and you most likely will never be any healthier than you are today.
